NZ Music month. <http://www.nzhistory.net.nz/culture/music-month/introduction>

A word from the President

Hi All

It was originally devised to raise awareness of the huge range and great quality of NZ sourced music and to get it played on NZ radio. Hard to believe that NZ Musical content was almost non-existent on Radio 25 years ago. We were culturally re-colonised, being forced to consume internationally defined musical content with the argument that Kiwis didn't want to listen to local music !!!?

Even then, as now, we were brim full of world class musicians with enormous and intimidating skills and talent. The need for the commitment of one month per year to promote NZ Music to get 20% local onto our Radio networks has been met and the focus has moved to providing opportunities for musicians to develop viable and sustainable careers in NZ. NZ Music month is celebrated each year to remind Kiwis that if you don't support the local industry, it may well vanish or migrate elsewhere.

This month, with help from member Shayle Allen, and for a very affordable door price, we have the privilege to support the performances of four talented and fresh musical NZ'rs in the ever comfortable and classic Logan Lounge at the Pons.

See you there. Live music is ALWAYS better. Keep Noodlin'

Dennis
